Good of the Order

1. Commencement Regalia: Dr. Gene Palka and Registrar Tina Davis will work on the academic regalia approval process. There is a regalia list that has been deferred for consideration until December 2015. Dr. Judy Short suggested that a student representative work with Dr. Palka and the Registrar for the approval process. Dr. Vice suggested the Student Government Association representative who serves on CAA.

2. Spring 2015 Commencement and Convocations Review: The Provost thanked the Registrar for organizing Commencement and assisting with each College Convocation. Registrar Tina Davis thanked all of her staff in the Registrar’s Office for assisting with Commencement, including assistance with a higher volume of questions and phone calls from students. Feedback from students, parents, and faculty indicated the ceremonies were organized and directed successfully. Faculty indicated they enjoyed Commencement and each College Convocation was well attended.

The meeting of the Council on Academic Affairs was adjourned at 2:51 p.m.
