

New Minor, Concentration, or Department Certificate Proposal Approval Form

When proposing a new minor, concentration, or department certificate, the following factors should be considered:

- Minors and certificates often add time to degree.
- Minors can increase the number of credit hours that students have at graduation.
- Minors and certificates can potentially increase student debt because of the factors above.
- Minors, concentrations, and department certificates can significantly add to faculty workloads.
- Minors, concentrations, and department certificates increase the need for oversight and administration.

The following information should be provided in addition to the normal curriculum change forms. Before a new minor, concentration, or department certificate is submitted to CAA, the Dean must approve the proposal based on the information on this form and any other information requested by the Dean.

From the Proposing Program

1. How will the new minor, concentration, or department certificate attract new students to EKU? On what is this based? What is the marketing plan?

2. What is the justification for the proposed curriculum proposal? (i.e., industry demand, job market, accreditation requirement, etc.) Provide evidence.

3. What are the qualifications of the faculty to teach the curriculum? Are there sufficient faculty resources to teach the curriculum? Explain.

4. What are the potential costs of the proposed curriculum addition, especially 3-5 years from implementation? Fully explain the answer, particularly if there are no perceived costs.

From the Dean

How will costs of the proposed addition be covered? (Complete A or B, or both if applicable)

A. New Resources. Explain.

B. Reallocation of resources. Explain.

I have thoroughly reviewed the proposal and the above responses and I support the proposal moving forward.
