**Completion of A, B, and C is required: (Please be specific, but concise.)**

<b>A. 1. Specific action requested:</b> (Example: Increase the number of credit hours for ABC 100 from 1 to 2.)	Add a new course, CAS 349 A-N
<b>A. 2. Proposed Effective Academic Term:</b> (Example: Fall 2012)	Summer 2014
<b>A. 3. Effective date of suspended programs for currently enrolled students:</b> (if applicable)	

  

**B. The justification for this action:**

Students in the general studies programs for the College of Arts and Sciences do not have a cooperative study course unless they are able to take a departmental course. Previously, general studies students could take GSD 349, but that responsibility has been moved to the separate colleges. A number of the departments in the College of Arts and Sciences do not have coop courses, so having a college level course will allow more students to complete a cooperative study placement. Undergraduate students that have had a coop/internship show a higher rate of employment after graduation.
