Completion of A, B, and C is required: (Please be specific, but concise.)

A. 1. Specific action requested: (Example: Increase the number of credit hours for ABC 100 from 1 to 2.)

Revise the number of credit hours from 4 to 6, and strike language pertaining to repeatable hours.

A. 2. Proposed Effective Academic Term: (Example: Fall 2012)

Spring 2016

A. 3. Effective date of suspended programs for currently enrolled students: (if applicable)

B. The justification for this action:

Increasing credit hours enables 1) the inclusion of pre-field preparation, 2) a unit on mapping and survey, 3) more deliberate inclusion of learning assessments and written reflection, and 4) more deliberate inclusion of laboratory work at its conclusion. With the fuller, more robust field experience, we no longer believe it appropriate to allow repetition of hours, and thus are removing the option for students to take the course more than once.

C. The projected cost (or savings) of this proposal is as follows:

Personnel Impact: None.

Operating Expenses Impact: None.

Equipment/Physical Facility Needs: None.

Library Resources: None.
