Original Proposal Approved b	by the Council on Academic Affairs on Date: March 3, 2015

Completion of A is required: (Please be specific, but concise.)

A. 1. Specific action requested: (Example: To increase the number of credit hours for ABC 100 from 1 to 2.)

To delete the incorrect "Credit will not be awarded to students who have credit for ENG 863" statement in the ENG 805 course description. Students MAY in fact take English 863 FIRST, and THEN also get credit for taking ENG 805. They just can't do it the other way around. The "Credit will not be awarded" statement should only appear in the ENG 863 course description, which is currently correct. We submitted the proposal with the correct language for ENG 805 when getting our new course title and description approved last spring, but someone up the line mistakenly changed it by the time it got to the Catalog.

A. 2. Effective date: (Example: Fall 2001)

Spring 2016
