

**Council for Academic Affairs**  
**Agenda**  
**November 11, 2021**

**Approval of Minutes**

**Items for Discussion**

1. 2021-2022 Curriculum Process (Jennifer Wies and Shannon Tipton)
  - a. College representatives- please include your justification of determinations
  - b. Implementation dates
    - i. Programs= Fall- catalog year implementation
    - ii. Courses= dependent on the subsequent schedule
  - c. Curriculum maps and curriculum guides
  - d. CIP codes!
  - e. Add course fee information on syllabi, when appropriate
  - f. Note: 3+2 programs can be specified as tracks, though a comprehensive advising plan is recommended to ensure student success
  - g. Course revision for taught/with courses
  - h. Program information and accuracy across platforms- catalog as the source of record
    - i. Example: Catalog lists the degree in one way, websites list it differently (e.g. Digital Forensics and Cybersecurity, Applied Engineering Management, Business and Marketing Education Teaching)
2. Determining “educational program” (Jennifer Wies)
3. Clarifying “core,” “supporting,” and “elective” courses for a program of study (Jennifer Wies)
4. Digital catalog and curriculum software update (Shannon Tipton)
  - a. Possibilities: notification system
