Good of the Order

Provost Vice updated the Council concerning a Sacs initiative with regard to student learning outcomes. Currently a few programs do not have a student learning outcome, therefore, a preliminary review as part of the Sacs initiative has been launched to identify these programs headed by Dr. Sherry Robinson and Gill Hunter. Associate Deans and Chairs will also take part in identifying, and implementing a student learning outcomes for these programs.

Provost Vice updated the Council regarding Student Success Collaborative. Students who earned a 3.0 prior to leaving a University were identified by the Student Success Collaborative and were encouraged to come back to school. A representative from the Student Success Collaborative will be on campus Thursday, October 30th for more information.

Provost Vice commended the Council's collaborative work in the progress of our graduation rate, currently at 40%.

Provost Vice updated the Council regarding a marketing plan for the adult completer degree. A marketing plan will be released shortly.

The Registrar gave an update on winter term. Currently, we have 150 students registered for Winter term, with high enrollment in general education courses, such as, ENG 102 having the highest enrollment rates.

Meeting Adjourned at 2:16pm
