| 1. Call to Order 1:30 p.m. | <u>Page</u> |
| 2. Approval of the CAA Minutes from May 17, 2018 Approved | 4 |

Consent Agenda: Routine Curriculum Proposals

COLLEGE OF HEALTH SCIENCES
Exercise and Sport Science

Course Revisions **Approved, Spring 2019**

- ATR 430 Foundations of Clinical Practice – Change in Prerequisites
- ESS 241 Swimming and Water Safety – Change title to Introduction to Swimming
- ESS 340 Advanced Swimming for Fitness/Water Safety Instructor – Change title to Water Safety Instructor

Multiple Course Drops **Approved, Fall 2019, except where noted below for Spring 2019**

- ATR 100 Introduction to Athletic Training
- ATR 201 Practicum I
- ATR 202 Practicum II
- ATR 211 Evaluation of Lower Extremity Injuries
- ATR 221 Sport and Exercise Nutrition
- ATR 301 Practicum III
- ATR 302 Practicum IV
- ATR 311 Therapeutic Modalities
- ATR 312 Therapeutic Exercise
- ATR 322 Therapeutic Interventions
- ATR 398 Pre-Season Practicum in Athletic Training
- ATR 401S Practicum V
- ATR 402 Practicum VI
- ATR 411 General Medical
- ATR 421 Senior Seminar
- ATR 225 Applied Anatomy for Healthcare Providers **Spring 2019**
- ATR 225L Applied Anatomy for Healthcare Providers Lab **Spring 2019**

COLLEGE OF SCIENCE
Geosciences

Course Revisions

- GEO 302W Global Environmental Problems, add STA 215 and 270 as possible math prereqs **Approved, Fall 2019**
- GEO 430 ~~Sustainability in Appalachia, add STA 215 and 270 as possible math prereqs~~ **Withdrawn**

Substantial Curriculum Proposals begin on the next page.

COLLEGE OF BUSINESS AND TECHNOLOGY
Applied Engineering and Technology

Program Revision with New Concentration, CAA Approved, Faculty Senate Pending, Board of Regents Pending

Network Security and Electronics B.S. - Rename the program Cyber Systems Technology.

1. Split the BS degree program into two concentrations:
 - a. Network Security & Electronics
 - b. Tech Systems; with a common core and supporting course requirements.
2. Include 25 hours of coursework in each concentration:
 - a. Network Security & Electronics concentration: EET 251, 257; NET 344, 395, 454; 6 hours of CSC/CIS/INF courses above CSC 160, or above CIS 215, or above INF 130); CHE 101 and 101L(1) or higher in ⁶Element 4.
 - b. Tech Systems concentration: 25 hours of computer systems, electricity & electronics, and networking related technical electives as approved by major advisor. This is the recommended option for transfer students.

Core Courses to include the following 43 hours of coursework: AEM 202, 310W, 407, 408; 3 hours from (AEM 352 or EET 253, 351); EET 252; NET 302, 303, 343, 354, 349(1), (395 or 440), 403, 499; TEC 161.

Supporting Courses for both concentrations to include the following 9-10 hours of coursework: CSC 160 or CIS 215; ECO 130 or higher in ⁶Element 5B; MAT 112A/B or higher in ⁶Element 2; PHY 101 or higher in ⁶Element 4; STA 215 or 270 (4); 3 hours of ACC, AEM, CCT, CIS, FIN, GBU, MGT, MKT, QMB, or RMI electives as approved by major advisor.

3. Expand Supporting Course requirement from ECO 230 to included ECO 130 or higher in ⁶Element 5B.
4. Expand section of Mathematics classes from MAT 114 or higher, to MAT 112A/B or higher in ⁶Element 2.
5. Drop MAT 120 from Supporting Courses.
6. Drop AEM 310 from Supporting Courses
7. Update number of free electives from to 5-6.

Program Revision, CAA Approved, Faculty Senate Pending, Board of Regents Pending

Technology A.A.S. –

1. Expand Supporting Course requirement from ECO 230 to include ECO 130 or higher in ⁶Element 5B.
2. Expand section of Mathematics classes from MAT 114 or higher, to MAT 112A/B or higher in ⁶Element 2.
3. Expand programming coursework to include CIS 215 or higher
4. Drop MAT 120 from the Computer Electronics concentration.
5. Require either NET 395 (Special Topics in NET) or NET 403 (Advanced LANs & PC Communications) in the Computer Electronics concentration.

Management, Marketing, and International Business

Program Revision: New Concentration, CAA Approved, Faculty Senate Pending, Board of Regents Pending

General Business B.B.A. – Add a Business and Marketing Education/Teaching Concentration

COLLEGE OF HEALTH SCIENCES

Exercise and Sport Science

New Courses

- ATR 325 Applied Palpation Anatomy for Healthcare Providers *Approved, Spring 2019*
ATR 325L Applied Palpation Anatomy for Healthcare Providers Lab *Approved, Spring 2019*
ESS 343 Lifeguard Instructor *Approved, Winter 2018*

Course Revision, *Approved, Spring 2019*

- ESS 313 Lifeguard Training - Increase credit hours from 2 to 3

Program Revision, *CAA Approved, Faculty Senate Pending, Board of Regents Pending*

Exercise and Sport Science Bachelor of Science (B.S.)

1. Drop ATR 225 and 225L from the curriculum. Add new courses ATR 325 and 325L.
2. Update course requirements to reflect changes in EMC 110 (6) to a 3 hour course and add EMC 110L as a 2 hour course. This change was included in the fall 2018 catalog and the impact on the BS in ESS: Pre-AT/PT concentration was just identified.
3. Change credit hours of ESS 313 from 2 to 3.

COLLEGE OF SCIENCE

Geosciences

Program Revisions, *CAA Approved, Faculty Senate Pending, Board of Regents Pending*

- General Studies A.A. Geography concentration, update requirements to respond to dropped course
General Studies A.A. Geographic Information Systems concentration, correct some course numbering errors in the AGS concentration and add an elective
General Studies A.A. Geology concentration, update requirements to reflect current course offerings and geology curriculum

Discussion Item

1. Dual Credit – Proposed changes to EKU Dual Credit admission requirements
This item will return to CAA upon review by the Deans' Council and Chairs Committee.

EKU Office of Regional
Stewardship, Engagement, and
Government Relations;
Office of Dual Credit
