Completion of A, B, and C is required: (Please be specific, but concise.)

A. 1. Specific action requested: (Example: Increase the number of credit hours for ABC 100 from 1 to 2.)
 Modify the course title and description of POL 875 from Public Sector Organizations and Management to Organization Theory.

A. 2. Proposed Effective Academic Term: (Example: Fall 2012) Fall 2016

A. 3. Effective date of suspended programs for currently enrolled students: (if applicable)

B. The justification for this action: To more accurately reflect the central topic (Organizational Theory) and objectives of this required core MPA course. Everyone in the department already calls this class "Org Theory" and it creates confusion among students when they go to register for "Public Sector Organizations and Management." Organization Theory is the title commonly used at universities. The course description is also being modified to reflect current terminology used in the discipline. Rather than saying "theoretical modeling" it is now more appropriate to reference "classical texts" in general, and then more recent research on organizations. Also, once the course name is changed to "organization theory," much of the first sentence of the original course description becomes unnecessary, since it refers to the "study of organizational theory."

C. The projected cost (or savings) of this proposal is as follows:

Personnel Impact: None

Operating Expenses Impact: None

Equipment/Physical Facility Needs: None

Library Resources: None
